

—Lisa Wuthrich Curless

When I unexpectedly lost my husband, I found myself alone with four young children to raise, and completely in the dark about my financial situation. I had a mountain of debt and no way to earn a living. We lost our home, our cars and any sense of security we once had. My choices were to give up or fight to give my children the life they deserve. With no formal education and a 13-year absence from the work force, I knew the only way forward was to get an education. With the help of the Soroptimist Women's Opportunity Awards, I am now working toward a degree in dental hygiene. Even though my family and I have endured devastating loss, I feel extremely hopeful. I am eternally grateful to Soroptimist and all the people who financially support their wonderful programs that help women like me.

A donation has been made in your honor to Soroptimist International of the Americas to support programs that help women and girls live their dreams.
May this gift bring you joy this holiday season, as it brings hope and inspiration to women throughout the world.
