

SOROPTIMIST

### Individual Giving

As an individual, you can help secure the future of programs funded by Soroptimist International of the Americas. Every donation helps women and girls to live their dreams.

### Honorariums and Memorial Gifts

You may contribute to Soroptimist International of the Americas in honor or memory of a special person. Or, consider giving in recognition of celebrated events, such as a holiday, graduation, retirement or the birth of a baby. The individual, or her family, will receive a gift card that notes your donation.

### Personal Achievements

Why not mark your own personal achievement in this way? You can give to Soroptimist International of the Americas in honor of your birthday, anniversary or a promotion. Gifts of \$100 or more are credited toward Laurel Society membership. When donations total \$1,000, you will be honored with membership at the Attaché level.

### Matching Gifts

Double or triple your gift! Many companies offer varying levels of corporate matching funds for their employee's charitable interests. Contact your company's human resources department and find out if Soroptimist International of the Americas meets the requirements for their matching gift program.
