

Give A Dream—Monthly Giving Program Fast Facts

Many members are very supportive and committed to Soroptimist programs and know that in these difficult economic times, the women we serve need our help more than ever. For some of you, making a large contribution is not within your means. But a small contribution given every month is a stable and reliable source of funding that can help Soroptimist make a solid commitment to current and new programs that help women and girls to live their dream.

Monthly giving is easy for the donor, decreases the expenses of fundraising, and puts more money into Soroptimist programs. At least 87% of all revenue raised by SIA goes directly to support program activities.
