

Monthly Giving Option

A LITTLE HELPS A LOT WHEN YOU HELP EVERY MONTH!

The option to give a donation monthly is now available for members who want to support Soroptimist programs and work toward membership in the Laurel Society.

Many members are very supportive and committed to Soroptimist programs and know that in these difficult economic times, the women we serve need our help more than ever. For some of you, making a large contribution is not within your means. But a small contribution given every month is a stable and reliable source of funding that can help Soroptimist make a solid commitment to current and new programs that help women and girls to live their dream.

Monthly giving is easy for the donor, decreases the expenses of fundraising, and puts more money into Soroptimist programs. At least 87% of all revenue raised by SIA goes directly to support program activities.

How can I make a monthly gift?

You decide how you want to make your monthly contribution. Donations can be transferred from your checking account or charged to your credit card on the 5th or the 20th of each month. Complete the form with information for your method of payment and submit online, fax or mail. The charge or transfer will be made on the date you selected in the month following receipt of your completed enrollment form.

What if I want to suspend my monthly gift or make any changes?

You can suspend or change your monthly contribution at any time by contacting headquarters by phone or e-mail. Whatever changes you wish will be made immediately.

Will my monthly gifts be credited to my Laurel Society membership?

Yes! Your monthly gift will be credited toward your membership in the Laurel Society. Headquarters will track your total monthly contributions and send your pin/acknowledgement when you reach the next level of the Laurel Society.
