*The meaning of life membership
Includes so many things —
The joy and satisfaction
That helping others brings:*

*The long and and loyal service
The feeling of great pride
In work that's been accomplished,
In faith well justified;*

*Life members mean fruition
Of dreams and hopes fulfilled
Of dedicated months and years
In which to plan, to build ...*

*Life members are a special group
A strong and vital part
Of the past and of the future
Of Soroptimist's heart*
