Soroptimist is a global women's organization whose members volunteer to improve the lives of women and girls through programs leading to social and economic empowerment. Approximately 33,000 Soroptimists in 20 countries and territories support community-based and global projects benefiting women and girls. The organization is particularly concerned with providing women and girls with access to education.

Designed specifically for girls in secondary school, **Dream It, Be It** provides participants with career support and guidance.

Program Goal: Through education and access to role models, girls will be empowered to pursue their career goals and reach their full potential.

Objectives:

1. Increase the number of girls who feel prepared to pursue their career goals.
2. Increase the number of girls who feel comfortable creating achievable goals.
3. Increase the number of girls who have tools to overcome obstacles to success.
4. Increase the number of girls who understand the importance of resilience.
5. Increase the number of girls who can connect personal values with possible careers.
6. Increase the number of girls who feel more confident about their future success.
7. Increase the number of girls who have professional role models.

Girls will have the opportunity to work closely with Soroptimist members who are respected professional women in our community who work together on projects that benefit women and girls. Soroptimists may collaborate with other community members to lead girls through activities that will help them develop skills relevant to whatever career they choose to pursue.

We know that girls have a lot of responsibilities at school and at home. We believe **Dream It, Be It** is a worthwhile investment in their future success. We also believe a partnership with your organization will allow us to most effectively deliver this evidence-based program.
