Donor Form

Soroptimist International of the Americas' mission is to improve the lives of women and girls, local communities and throughout the world.

One way we accomplish our mission is through our Women's Opportunity Awards program, which provides cash grants for women seeking to gain additional education and skills. These women, who serve as the primary wage earners for their families, are building new lives. They often face insurmountable odds—including domestic violence and grinding poverty—in their quest to reclaim their dreams.

Won't you help to support the Women's Opportunity Awards and other Soroptimist programs that give women and girls the chance for a better life?
