

SOROPTIMIST

Laurel Legacy

The Laurel Legacy is Soroptimist International of the Americas' way of recognizing and honoring the generosity of those whose future gifts preserve the strength of the organization, and help women and girls to live their dreams.

Leaving a Legacy

Naming Soroptimist International of the Americas as a beneficiary in your will is an excellent way to guarantee that women will continue to receive the help they need through Soroptimist programs. You may also choose to participate in other planned giving options, such as with gifts of appreciated real estate or personal property, gifts of life insurance, gift annuities or deferred gift annuities. You may enjoy a tax savings while ensuring the long-term viability of Soroptimist International of the Americas' programs. For more information on planned giving opportunities, <visit www.soroptimist.plannedgiving.org>, or contact Soroptimist International of the Americas' Senior Director of Development at 215-893-9000.

Recognizing Your Commitment

Laurel Legacy commitments are acknowledged with a beautifully designed pin. In addition, when your gift is received, your name will be inscribed on the Laurel Legacy memorial plaque at Soroptimist International of the Americas' headquarters in Philadelphia.

Improving the lives of women and girls, in local communities and throughout the world.

Yes!

I want to ensure that women live free from violence by supporting the Domestic Violence Initiatives and other Soroptimist programs. I wish to become a member of the Laurel Legacy because I have named Soroptimist International of the Americas in my will or made arrangements for a future gift.
